## 50 Psychology Classics Who We

### 0i-11 Psychology Prelims

50 Self-Help Classics and 50 Spiritual Classics, which explore books on the more transformational and spiritual sides of psychology The list of 50 psychology classics does not claim to be definitive, just to range over some of the major names and writings Every collection of this type

### Classics in the History of Psychology

In psychology we are still in that stage of development where we feel that we must select our material We have a general place of discard for processes, which we anathematize so far as their value for psychology is concerned by saying, 'this is a reflex'; 'that is a purely physiological fact which has nothing to do with psychology'
