The working culture needs to be front and centre of any 'new deal' for the local government workforce. Working culture in local government brings to mind a few (somewhat unfair!) stereotypes of a slow-moving bureaucracy. While this is a generalisation, many of the workforce we surveyed did indeed feel hampered by a hierarchical culture; by ...

The 1920s were a period of dramatic changes. More than half of all Americans now lived in cities and the growing affordability of the automobile made people more mobile than ever. Although the decade was known as the era of the Charleston dance craze, jazz, and flapper fashions, in many respects it was also quite conservative.
